

King's Furniture 7513 Chaise

Hightower Group LLC
New York Design Center – 200 Lexington Avenue – Studio 1316

New York, NY 10016 (P) 212.725.3509 (E) service@hightoweraccess.com

In 1969, Rud Thygesen and Johnny Sørensen won first prize in a furniture competition organised by the Copenhagen Cabinetmaker's Guild. The furniture was presented to the Danish King Frederik IX on the occasion of his 70th birthday – hence the name the 'King's Furniture'. Meticulous detail and exclusive materials make the King's Furniture series a unique monument in Danish design history.
