New York, NY 10016 (P) 212.725.3509 (E) service@hightoweraccess.com

A lightweight, distinctive bench with an upholstered seat designed as part of a furniture series by Børge Mogensen from 1956-1962. The bench has a characteristic robust simplicity ideal for daily use. The furniture is a perfect choice for modern dining kitchens or public areas calling for beautiful design and high durability.

The bench is available in oak and cherry, with an upholstered seat covered in leather or fabric.

Mogensen Bench
