

Highway Chairs & Tables / Indoor – Outdoor Use / Lightweight / Durable

Highway is a table for both indoor and outdoor use. Highway is designed on the concept of combining demands on flexibility and stability with function.

The Highway table is easily folded or mounted. Highway has a special patent pending folding device which makes it easy to put up or take down in seconds. Highway is perfect if you need to move or store tables quickly and efficiently.

When the tables are folded they are only 2 ½ inches thick.
