CB610	L 47 ¼ D 7 ¾	695
CB710	L 23 ½ D 11 ¾	425
CB810	L 27 ½ D 11 ¾	495
CB910	L 31 ½ D 11 ¾	595
CB1010	L 47 ¼ D 11 ¾	775

Please note that there may be a slight appearance of color variation when comparing Chat-Board memo boards and the glass shelves. This is due to the difference in the glass thickness between the two products.

Maximum load: The glass is very strong and can hold heavy loads up to 90 pounds evenly distributed on the surface. However the strength is really determined by the structure of the wall and the fastening method used by the installer.

Magnetic Glass Write Boards

Chat-Board, magnetic glass write boards, are available in wide range of standard sizes and colors.

Three strong magnets and a marker pen are provided with each board.

Board are easy to clean with a Chat-Board eraser (optional), a dry cloth and normal window cleaner.
