

Busk + Hertzog

- Multi-award winning Copenhagen based Design Team
- Architect Flemming Busk and Designer Stephan Hertzog
 - Won the prestigious *Furniture Prize* in 2008
- Responsible for over a dozen designs in the HighTower collection
 - “Living design royalty”
- Their designs have won 7 *Red Dot* awards, multiple *Good Design* and *IF* product design awards among many others and continue to be lauded as the “new wave of Danish design”

Plasma

- Won the *IF* Product design award 2009, *DesignPreis* 2009 Nominee, and *Good Design* award winner.
- Great for public atriums, corporate lobbies, or entrances, and student unions
- 3 sizes and shapes: sm. 65”L , med. 87”L, large 140”L
- Fully upholstered w/ contrast or matching stitching
- Curves in at the base to make it easier to support yourself when standing
- Standard concealed glides for easy repositioning or Floor Mount available

Space Bench

- Natural center of rotation in a public space
- Suitable for everything from lobbies to large public spaces, airports, lounges etc.
- Ability to integrate multimedia allows Space to become an interactive piece of furniture
- Compact laminate table top with wood base in either clear lacquered maple or white or black lacquer and optional pivot.
- A variety of configurations and the option of adding tables or multimedia allows Space to be customized to fit your unique space and needs!

True Love

- Winner of the *Good Design Award*, *Red Dot 2009*, *DesignPreis 2010* Nominee, *100 Most Beautiful Things* by Pulchra
