

Nonstop

- Modular Sectional
- Designed by Ruud Ekstrand
- Perfect for Lobbies and Student Unions
- Straight, Curved Wide Back, Curved Narrow Back & Corner sections available which can be ganged together to form various configurations
 - Standard Mirror Chrome Post Legs
 - Arms available to either cap the ends or be used intermittently
 - Comfortable sit
 - Designers often use contrasting fabrics on seat and back
 - Two Ganging Options:
 - 1- Permanently bolting units together (up to 3 pieces for shipping). Goes through frame and fabric. Weight bearing. Can minimize number of legs and allow you to determine leg placement.
 - 2- Slide Locking Linking Brackets. \$30 LIST per connection. Connect units from underside so you can reconfigure in the space as needed. NOT weight bearing. Each piece would require 4 legs
 - When Specifying Keep in Mind:
 - Which model? How many? How are they linking? How many legs? Upholstery preference?
 - Cal133 Certified. Burn certificates avail. upon request
 - Certain models kept IN STOCK
